

## Original Polycarbonate™ Snow Guard with Inset Base For Metal Roof Systems

### Overview

Developed by architectural sheet metal professionals, the Original Polycarbonate™ offers 25 square inches of bonding surface - the larger the base, the greater the holding power. The Original Polycarbonate™ has the largest base available in the industry! Manufactured from clear UV-stabilized polycarbonate material, or in a color that is injected throughout the product and matched to any standard roof panel. Inset base for metal roof panels with stiffening ribs. **Apply using tube adhesive or a mechanical fastening application.**

### Innovation

Manufactured from UV-stabilized polycarbonate, the unique design of these crystal-like guards suspends the field of snow until the snow and ice gradually melt under the sun's rays.

**CUT:** Sno Gem® snow guard's prismatic design was developed by architectural sheet metal professionals with over 100 combined years of on-the-roof experience.

**CLARITY:** Sno Gem® offers a clear prismatic snow guard which retains its crisp, clean and architectural appeal. There's no metal to rust or stain. Sno Gem® snow guards are unaffected by climate extremes.

**COLOR:** Sno Gem® snow guards can be matched to all industry standard metal roof colors. Sno Gem® also offers an unlimited amount of custom colors to closely match the metal roof panel. The color is injected throughout the product.

**CARAT:** The true measure of a gem's worth. At the heart of each Sno Gem® is an engineered, multi-directional, multi-purpose drain opening for melting snow and ice to flow freely, plus heat cables can be easily routed through the opening.

### Dimensions

Height: 3.25" - Width: 5" - Length: 5"

### Applications

For Ribbed Panel Metal Roof Systems.

### Colors

Available in Clear or Color to Match Virtually Any Standard Metal Roof Panel Manufacturers.

### Recommended Accessories

Depending on the application, the following accessories are available to ensure proper installation.

Isopropyl Alcohol  
Panel Cleaner

Surebond  
SB-190 Adhesive
